

## ASPIRE Monthly Webinar - July 27 3-4 pm ET

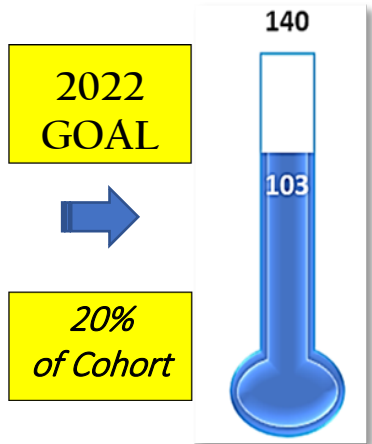

- o **Cutting Edge Topics in ICH Recovery**
- o Zoom: 951 0504 2660 Passcode: aspire

## Recruitment Update *since last Newsletter*

### 9 Randomizing Sites

- McLaren Flint\*
- NYP Columbia\*
- OSF St. Francis
- Rush University
- The University of Vermont
- UC Irvine Medical Center
- UH Cleveland Medical Center
- University of North Carolina\*
- Yale

<i>New Participants</i> <b>9</b>	<b>TOTAL</b> <b>103</b>
-------------------------------------	----------------------------

*\*Congratulations to Sites that enrolled their 1<sup>st</sup> ASPIRE Subjects!*

Imama Naqvi (PI), Silvia Mayer (PSC)

David Huang (PI), Anne Beckwith (PSC) [not pictured]

Bharath Naravetla (PI), Marci Roberts (PSC), Melissa Szemites (SSC)

# Enrollment Resources

Several new resources to aid you in your ASPIRE recruitment efforts are available at <https://www.nihstrokenet.org/aspire-trial/webinars>

## A conversation with Dr. Deepak Bhatt,

Executive Director of Interventional Cardiovascular Programs at Brigham and Women's Hospital and a member of the ASPIRE Steering Committee.

In this 20-minute conversation, the ASPIRE National PIs asked Dr. Bhatt for his thoughts on important issues in cardiology as they apply to ASPIRE. Dr. Bhatt elaborated on his views that:

- Patients with AF and CAD and/or cardiac stenting can and should be enrolled in ASPIRE given current equipoise for aspirin vs anticoagulant therapy in these types of patients, and
- LAA closure, although an option, has not been proven effective for stroke prevention.

Please feel free to distribute the [link](#) to this conversation to your team and interested cardiologists or PCPs for your patients. Both video and audio-only versions are posted and do not require a password to access.

## Consenting patients for ASPIRE.

Most of our *June 22 Monthly Webinar* was dedicated to role-playing mock consent discussions. Please view/listen for ideas and examples for how to consent your patients for ASPIRE (password = Aspiring).

## Additional Reimbursement for Screening Activities

As of 6/22, when a consented subject is entered in WebDCU, \$70 will be reimbursed for each screen failure form that has submitted since the site's prior consent (or site initiation for first consent), up to a maximum of 4 forms (\$280).

Please submit your Screen Failure forms regularly to get credit for these efforts!

## ASPIRE CONTACT INFORMATION

Principal Investigators  
Program Managers

Kevin Sheth (443) 615-4729 Hooman Kamel  
Cristina Francois [NCC] (513) 558-3960
