Reassemble in Salon: Moderators to summarize small group discussions for larger group considerations. Each group will have 10 minutes for summary and 10 minutes for Q&A.

3:15 pm – 3:30 pm

Questions/wrap-up

Trail Walk: A very accessible trail that lies on the west end of the airport and travels from the north to the south. It is paved and well-maintained with a few benches, trash cans, and some scenic views of airplanes on approach or departure to Atlanta. There are also a few bridges and underpasses, and it is partially shaded.
